

**Columinate
Financial Services**

*Helping Co-ops to
Grow Better Together*

Introducing full financial services for food co-ops

OUR PROGRAM

A plug and play program that includes:

- A fractional CFO on your team
- Accountant services customized for food co-ops
- Day to day accounts payable and cash management
- All training and systems needed

NCG MEMBERS

Full NCG systems integration, including:

- New Chart of Account
- Digital Invoicing
- NCG custom dashboards
- Columinate Financial embraces the value of centralized services so food co-ops can maximize their local community impact.

OUR COMMITMENT

Columinate Financial will:

Provide fractional CFO services, day-to-day bookkeeping, and full service accounting so all food co-ops can have access to top-level financial management and know their data and access to information is reliable and relevant.

OUR SOFTWARE PARTNERS

- QuickBooks Online for single store operations
- Sage-Intacct for multi-store operations and those looking at adding a 2nd store in the next few years. Columinate Financial is Sage Intacct Accountant Partner with their best pricing!
- Bill.com for AP
- Payroll - we will work with your team and existing payroll software.

WHY CHOOSE US

In one monthly fee, Columinate Financial provides all the experts, necessary systems, and ongoing training for the few items that need to happen locally. Good data in, good data out, excellent and timely reporting, real-time custom dashboards, plus you get a Chief Financial Officer (CFO) built right in!

For all sizes of food co-ops from small through extra large multi-store operations, with preference given to NCG members. Startups beginning in the early organizing stage are welcome to inquire.

Plan now for 2024 transitions. Advance reservations recommended!
